## **Pure The Pure Trilogy:**

**Pure** Julianna Baggott, 2012-02-08 Julianna Baggott presents her beautifully written riveting breakout novel PURE the first volume in her new post apocalypse thriller trilogy We know you are here our brothers and sisters Pressia barely remembers the Detonations or much about life during the Before In her sleeping cabinet behind the rubble of an old barbershop where she lives with her grandfather she thinks about what is lost how the world went from amusement parks movie theaters birthday parties fathers and mothers to ash and dust scars permanent burns and fused damaged bodies And now at an age when everyone is required to turn themselves over to the militia to either be trained as a soldier or if they are too damaged and weak to be used as live targets Pressia can no longer pretend to be small Pressia is on the run Burn a Pure and Breathe the Ash There are those who escaped the apocalypse unmarked Pures They are tucked safely inside the Dome that protects their healthy superior bodies Yet Partridge whose father is one of the most influential men in the Dome feels isolated and lonely Different He thinks about loss maybe just because his family is broken his father is emotionally distant his brother killed himself and his mother never made it inside their shelter Or maybe it's his claustrophobia his feeling that this Dome has become a swaddling of intensely rigid order So when a slipped phrase suggests his mother might still be alive Partridge risks his life to leave the Dome to find her When Pressia meets Partridge their worlds shatter all over again

**Fuse** Julianna Baggott, 2013-02-19 Bestselling author Julianna Baggott presents the second volume in her new post apocalyptic dystopian thriller trilogy We want our son returned This girl is proof that we can save you all If you ignore our plea we will kill our hostages one at a time To be a Pure is to be perfect untouched by Detonations that scarred the earth and sheltered inside the paradise that is the Dome But Partridge escaped to the outside world where Wretches struggle to survive amid smoke and ash Now at the command of Partridge's father the Dome is unleashing nightmare after nightmare upon the Wretches in an effort to get him back At Partridge's side is a small band of those united against the Dome Lyda the warrior Bradwell the revolutionary El Capitan the guard and Pressia the young woman whose mysterious past ties her to Partridge in ways she never could have imagined Long ago a plan was hatched that could mean the earth's ultimate doom Now only Partridge and Pressia can set things right To save millions of innocent lives Partridge must risk his own by returning to the Dome and facing his most terrifying challenge And Pressia armed only with a mysterious Black Box containing a set of cryptic clues must travel to the very ends of the earth to a place where no map can guide her If they succeed the world will be saved But should they fail humankind will pay a terrible price **Pure** Julianna

Insenga Patricia Kennon Maryna Matlock Ferne Merrylees Lars Schmeink Anita Tarr Tony M Vinci and Donna R White For centuries humanism has provided a paradigm for what it means to be human a rational unique unified universal autonomous being Recently however a new philosophical approach posthumanism has questioned these assumptions asserting that being human is not a fixed state but one always dynamic and evolving Restrictive boundaries are no longer in play and we do not define who we are by delineating what we are not animal machine monster There is no one aspect that makes a being human self awareness emotion artistic expression or problem solving since human characteristics reside in other species along with shared DNA Instead posthumanism looks at the ways our bodies intelligence and behavior connect and interact with the environment technology and other species In *Posthumanism in Young Adult Fiction Finding Humanity in a Posthuman World* editors Anita Tarr and Donna R White collect twelve essays that explore this new discipline s relevance in young adult literature Adolescents often tangle with many issues raised by posthumanist theory such as body issues The in betweenness of adolescence makes stories for young adults ripe for posthumanist study Contributors to the volume explore ideas of posthumanism including democratization of power body enhancements hybridity multiplicity plurality and the environment by analyzing recent works for young adults including award winners like Paolo Bacigalupi s *Ship Breaker* and Nancy Farmer s *The House of the Scorpion* as well as the works of Octavia Butler and China Mi ville Burn Julianna Baggott, 2014-02-04 The stunning conclusion to the trilogy that began with *Pure* recommended by People for those who loved *The Hunger Games* With his father now dead Partridge has assumed leadership of the Dome one of the last few refuges from the ravaged wastelands of the outside world At first Partridge is intent on exposing his father s lies taking down the rigid order of the Dome and uniting its citizens with the disfigured Wretches on the outside But from his new position of power things are far more complex and potentially dangerous than he could have ever imagined On the outside a band of survivors faces a treacherous journey to Dome Pressia carries with her the key to salvation If she can get it to the Dome the Wretches could one day be healed and everyone might be able to put the horrors of the past behind them Bradwell the revolutionary cannot forgive so easily Despite Pressia s pleas he is determined to bring down the Dome and hold its citizens accountable for leaving the rest of the world to burn El Capitan the former rebel leader wants to help Pressia save as many lives as possible but he s struggling to reconcile his newfound compassion with his vicious past As former allies become potential enemies the fate of the world is more uncertain than ever Will humanity fall to destruction Or will a new world rise from the ashes
