Vegetarian Dinner Party Vegan Potlucks What to Bring How to Introduce Friends and Family to Plant Based Foods  
 Celebrating Holidays with Vegetarian Feasts Conclusion A Lifetime of Delicious Vegetarian Eating Reflecting on the Health  
 Benefits The Environmental Impact of Eating Plant Based Embracing a Plant Centered Lifestyle *The "I" Diet* Susan B.  
 Roberts Ph.D, Betty Kelly Sargent, 2010-01-07 The I Diet is a breakthrough A diet based on impeccable research A diet where  
 the dieter never goes hungry or feels deprived A diet that s completely healthy for you grounded in the metabolic genetic and  
 psychological workings of the human body A diet that shows how the hardwired food instincts that once ensured our survival  
 are now driving too many on the road to obesity and how we can turn those same instincts into an engine for permanent  
 healthy weight loss And a fat burning marvel of a diet that helped the men and women pictured on the cover and inside the  
 book lose 30 pounds on average in a few short months Start the I Diet and be amazed The diet has been universally praised  
 From Jane Brody in The New York Times Perhaps the most comprehensive approach to eating for effective weight control  
 From Women s World Obesity cure From world class nutritional researchers and scientists A real paradigm shift wise  
 guidance along the road to long term weight management an honest straightforward and helpful guide And not to mention  
 from Harvard s Henry Louis Gates Jr who recommends the book to anyone who has struggled with weight gain or obesity and  
 has given up hope This diet will change their life *The "i" Diet* Susan Barbara Roberts, Betty Kelly Sargent, 2010-01-01
