hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that s exactly what happened here I m usually not a fan of these kinds of werewolf stories where the mate doesn t have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It s sooo good It has a unique plot line that is not your everyday cliché werewolf novel The main character Emira is so funny and relatable And don t even get me started on Eros He s hot period It s different and I HIGHLY recommend it Kari      The Wolf's Captive Rachel Medhurst, Our enemy finally broke us apart but not for long The alpha of the Crawley Pack may have ruined our lives and wedged an undeniable divide between Malone and I but I will do anything in my power to bring him back to me Even if that means binding my witch side and becoming a full werewolf In my quest to find a witch powerful enough to break my curse I inadvertently destroy my enemy and almost break myself I swore to bring Malone back to me and my efforts are rewarded when he swears to protect me always We will have the ceremony and finally be united This is the last book in The Witch s Pack series fated mates rejected mate werewolf romance werewolf shifter romance novels witches witch romance shifters paranormal romance      *Den of the Wolves* Cara Wade,2020-04-14 SIZZLING HOT WEREWOLF ROMANCE COLLECTION 3 STANDALONE BOOKS IN ONE No cliffhanger Guaranteed HEA Forbidden Love Sophia is a vampire a coven leader The Hunters have cleansed the Northeast and now moved into Sophia s region to eradicate all supernatural beings there both vampires and werewolves But they won t go down without a fight For the first time in centuries werewolves and vampires stop fighting each other to handle the common threat of the Hunters While Sophia is out with a hunting party of her own fighting against the Hunters a pack of wolves shows up and complicates things When Kai shifts into his human form their attraction is instant and so is their inevitable fate it seems The Hunters gain the advantage over Kai s pack and Sophia s vampires leaving them with no choice but to flee together She allows those left of Kai s pack asylum in the vampires safe house While stuck there her attraction with Kai explodes into something neither of them is prepared for Only they don t know how long their love affair or their lives will last in a forest crawling with Hunters bent on destroying them Two Wolves of Winter s Lake There are things lurking in the woods of Winter s Lake but Lara Forbes has no idea how dangerous wolves and men can actually be until a pair of jealous rival werewolves vie for her attention Lara Forbes needs a break When she discovers that her boyfriend has been cheating on her she seeks refuge in the quiet mountain town of Winter s Lake Colorado She expected peace and quiet but she didn t expect to attract the attention of two handsome bitter rivals Soft spoken kind Killian seems to want her but his attention turns cold whenever cocky abrasive Russ enters the picture The men share some sort of common understanding that Lara can t begin to understand just like she can t quite understand why the forest is filled with the cries of a wolf pack under the full moon Untamed Wolf Keli s work as a police officer means that she always meets some very interesting people but when
