

The background of the image is a detailed, futuristic space station or city floating in space. The structure is composed of numerous interconnected modules, corridors, and platforms, all illuminated with warm, golden-yellow lights. Some sections feature glowing blue light patterns. The station is positioned above the Earth's horizon, which is visible as a thin, curved line separating the dark, star-filled space from the bright, blue and white clouds of the planet. The overall scene conveys a sense of advanced technology and exploration.

## **Proof Of Heaven Biblical Spirituality:**

Proof of Heaven? Coleman Luck, 2013-04 Neurosurgeon Dr Eben Alexander was brain dead for seven days During that period he believes that he went through death s door and experienced the incredible beauty of Heaven While he was there he was given a message to bring back to the world For him the vision was life changing From being a scientist and a secular materialist his worldview was transformed Because of what happened to him he now believes in the miraculous and in a life beyond death But did he experience reality Was the message that he was given true Coleman Luck has spent decades studying illusions and the paranormal both as a professional writer in Hollywood where illusion is the stock in trade and as a mentalist and member of the Academy of Magical Arts at the world famous Magic Castle in Hollywood Also he is a student of the Bible educated at the Moody Bible Institute in Chicago From this unique perspective Coleman examines the profound visions and truth claims presented in Proof of Heaven Coleman s other books include Angel Fall and The Mentalist

Prophecies Book One Dagon s Illusion      **The Real Proof of Heaven** Sam Oputa, 2021-05-07 There is indeed a Heaven Heaven it is said is the quintessential place for only clean souls that had earlier experienced the earth Though the general assumption is that only dead people can have access to this Gorgeous place humans have been inside it and the Bible says so Heaven however is not what the Church has made it out to be For the Church Heaven is a tool The Bible tells us what Heaven is but the Church interprets Heaven to be what they want it to be In The Real Proof of Heaven What Where Is It we take you on a profound journey into the heart of ancient mind set and practices revealing a breathtaking hidden reality that will transform your life forever and in many ways We will literarily take you to Heaven We are able to take you to the real Heaven because the Ages are exposing the hidden secrets to Mankind You will see and understand what Heaven is Far from offering simple interpretations platitudes and general principles The Real Proof of Heaven What Where Is It drags you out of the surprisingly archaic thinking that gave us the biblical Heaven in the world of the ancients through various ages while using modern knowledge as a guide Yes you will literarily see Heaven as it is because Heaven is as real in the Bible as it is real today It is physical It is out there floating in space as one of the biggest spaceships unlimited and uninhibited by space Heaven is in this universe in this dimension and with time someday humans will start to interact with it While presenting you with all the incredible evidence to support this you will discover for yourself that modernity has not put a dent in how or what the ancients thought believed and worshipped compared to religious practices of modern people They were are the same concepts as people older than us have inferred in their ancient testimonies The perspectives between the old and new are still the same even while modern peoples spin the same old practices as if it has been koshered It will be disheartening that many people will have to go to their graves believing what they believe a lie The biggest lies of them all a Heaven and a Hell Religious texts must be radically and truthfully interpreted as the Ages open up its hidden knowledge to Mankind Misinterpretation is one reason the pages seem lost on theistic ears already dejected listening to the words coming out of the

mouth of a preacher who is struggling to make a story line out of the texts written thousands of years ago Millions of people have believed in teachings that were intended for disinformation They believed because in the eyes of the innocent the teachings appear to be convincing and true If you don t believe their teachings they convince you that there is a thing called faith When that fails they describe your culture and practices as paganism and Satanism They make you feel less of a human and even threaten your well being and life They are succeeding especially with the promise of Heaven or Hell in an afterlife as your only two choices Any attempt and indeed all the attempts to convince you and me one way or the other about a proof of a Heaven is disingenuous and will remain disingenuous There is no way as a material being that you could interpret the immaterial It is near impossible It is even crazy to try and think of it Whether they say it is by Near Death Experience NDE don t cut it It does not work that way Near death experiences is not death A near miss after shooting a game is not same as a kill Near death experiences are not the real transformation to another dimension If a bird dodged my catapult shot the bird was not near death The bird might not even know that it has been shot at Death is death not near death Near death experiences are like experiences between dreams and lives you don t know what dimension you were in in both experiences until you wake up

**God's Gift, World's Deception** Christos Retoulas, 2022-04 Situating former Harvard neurosurgeon Dr Eben Alexander s Near Death Experience within the ontological landscape of Romanity or the Byzantine Ottoman Continuum of Roman Ecumenicity namely Judaism Christianity and Islam God s Gift World s Deception is a unique exploration of this unique NDE attesting to its vital and organic ties to those experiences of the New Testament Fathers of the Byzantine Apostolic Catholic Orthodox Church the unity of all being existents which came to them via theosis The book claims that Dr Alexander s experience is indeed a continuation and completion of the theophanic visions of the Old Testament Prophets and is linked to the imaginal divine becomings of the Koranic Ottoman vahdet i v cud tasavvuf Masters the unity of Being Sufism in both Sunni and Alevi traditions but also highlights the distorting effects of the interpretive resources available in the predominantly neo Gnostic cratic West religious and secular as well as its Globalist agenda creating an unfit backdrop for an exegetical attempt at the Proof of Heaven Experience Ultimately God s Gift World s Deception reconfirms the engendered existence of the Divine human Ecumene as a historically spiritual somatic reflection of the Divine Realm and above all it shows the Theanthropic Lord Jesus Christ as the True Om the Real Hak kat Muhammediyye and the Eternal Tao

Facts Truth Logic Science These are the basics of the world in which we live day to day in society government medicine agriculture and manufacturing But while we have a 21st century technology we also have 1st century superstitions basically those superstitions found in religion With a particular focus on Christianity and its predecessor Judaism Pfeiffer reflects on the facts of the Bible and Christian religions and his own thinking over a lifetime from a Baptist upbringing through reading on both sides of the fence to debating and discussing religious subjects with ministers priests rabbis and others of all religious persuasions Reviewing various aspects of prayer faith miracles morality heaven and hell he pokes fun at the contradictions and contrivances found in the Book and the rituals solemnly repeated long after they ve lost any meaning Biblical

immoralities prophecy and blind faith come in for a sharp skewering as he roasts them in the hot gaze of reality From Baptist to the Black List author Boyd Pfeiffer risks being given the evil eye for casting doubt on some cherished beliefs In this book he tackles the subject of religion from the standpoint of common sense and logic including various interpretations of Biblical and religious meanings and content Unfortunately seen from this perspective religion is as brilliant as a burnt out bulb After a decades long search for a credible reason to believe the teachings of Christianity he turns over to the public the results of his research The precepts taught in the Bible simply do not square with the exemplary stories the Bible itself presents and the teachings and the stories don t even match up from one telling to another
