**The World Portfolio Shortcut: Build Global Wealth with Just a Few Simple Funds** Evander Hollowell, 2025-09-10 Investing across the globe doesn't have to be complicated. You don't need dozens of funds, endless research, or complicated formulas to create a resilient worldwide portfolio. With the right system, global diversification can be so simple it fits on a single page. This book shows you exactly how. Using just two or three low-cost funds, you can capture growth from the US, international developed markets, and emerging economies without stress, guesswork, or information overload. Inside, you'll learn why global diversification is the key to long-term wealth, how to build a powerful worldwide allocation with only a handful of ETFs, and a one-page guide you can use immediately to set up and automate your portfolio. You don't need complexity to succeed; you need clarity. This is your blueprint for turning small, consistent investments into a globally diversified engine for financial freedom. Start today and let your wealth grow worldwide.

**How We Know About Economics: A Simple Guide to Understanding Money and Markets** Haruchi, 2026-01-06 Discover the world of economics in a simple, easy-to-understand way. This book breaks down complex ideas about money, trade, markets, and the economy into clear examples anyone can grasp. Learn how people, businesses, and governments make decisions, how markets work, and why economic events affect your everyday life. Perfect for students, beginners, and anyone curious about how the world of money really works. With practical explanations, real-life examples, and simple language, *How We Know About Economics* makes learning economics interesting and accessible.

**Investing Explained** Matthew Partridge, 2022-02-03 Maximize your chances of investment success with this accessible and profitable guide, which pulls away the curtain to put you on a level footing with the professionals and points out where the pros can get it wrong. Never in history has it been easier for private investors to get involved in the market, and changes in technology, regulation, and access to information mean that the advantage experts may have had is fast disappearing. Written by Matthew Partridge, a financial journalist for the UK's leading investment magazine, *Investing Explained* is filled with real-life examples and plain English summaries of research produced by banks and academics to separate fact from fiction. When it comes to investment, *Investing Explained* covers the basics for beginner investors and includes more in-depth advice for those with more experience. Benefit from an overview of behavioural psychology and how you can profit from the irrational behaviour of others, advice on fintech apps and cryptocurrencies, and the impact of a political or economic crisis on your investments. Access the stock market with this invaluable guide and build an investment portfolio which can secure your financial future.

**Global Trends** A. Done, 2011-10-31 Looks at the bigger picture and the future trends that are going to affect the global business world over the next few years. The author analyses traditional themes such as technology and sustainability but also takes into consideration the effects of developments in other areas such as health, education, and demographics.
