You've probably heard the saying money doesn't grow on trees. Usually this is a warning not to take money for granted that money is a limited resource and is not easily acquired. But I disagree. A small initial investment given the right elements discipline and time can grow big and strong and provide income for generations. So yes money can grow on trees. That's the essence of what we'll discuss within the pages of this book. I am offering readers an investment strategy for everyone of all ages regardless of your financial position or your current earnings. I'll show you how by applying a simple approach to investing you can produce an income stream a never ending source of money that can become your own Salary for Life. By focusing on you at particular times of life young and single as parents even as grandparents I will show you how to get started with a straightforward savings and investing plan. The goal of financial security during retirement could not be more within reach or easier to achieve than is it today. By learning about my Income Growth Investment Strategy I hope that you'll be able to say Is it really that simple? And just as there are things you should do at the beginning of your life you need to be prepared for the end as well. It's a topic which too many ignore. Don't leave a mess for your dependents to sort out. Instead make the decisions while you are in control ensure your estate and assets are handled and distributed exactly as you wish.
