Summary and resource sections at the end of each chapter give quick guidance to busy readers. Topics include a wealth of research-backed activities, strategies for improving penmanship, making writing fun, technological assistance, and more. Offering straightforward, easy-to-understand and evidence-based information, this book is a go-to resource for caregivers parenting a child with dysgraphia. The Quick-Start Library Guide Kelly Mayfield, Amy O. Milstead, 2025-09-04 Helps paraprofessionals and new school librarians begin their first school year with confidence. New librarians and paraprofessionals often come to school library positions with little or no experience in library work, and there's a gap in instructional information available for those who want to quickly increase their skill level. This book helps professionals and paraprofessionals learn what they need to know to get started, as well as pointing them to additional resources in areas where they might want more advanced information. This practical guide teaches librarians and paraprofessionals to develop systems and create plans for programs and partnerships with teachers and other professionals to set them up for success during their first year in the library. A timeline helps map out the rhythm of a school year. The Quick Start Library Guide introduces paraprofessionals to library science topics such as cataloging, collection development, and weeding. It covers topics specific to the school library such as reading levels, book fairs, and author visits. Each section includes suggested resources for more in-depth learning. Librarians and paraprofessionals will be able to use this valuable straightforward guide to hit the ground running in their new role. **The Complete Guide to Therapeutic Parenting** Jane Mitchell, Sarah Naish, 2020-11-19 This is the go-to guide for practitioners, parents, and carers who want to expand their understanding and skills for therapeutic parenting, a deeply nurturing parenting style particularly effective for children who have experienced trauma or adversity.
