## **Paul Follower Of Jesus Or Founder Of Christianity:**

**Paul** David Wenham,1995 David Wenham has returned with new vigor to the old question of the relationship of Pauline thought to the life and teachings of Jesus back cover [Paul, the Founder of Christianity](#) Yoseop Ra,2021-12-01 Although many scholars have studied Paul's theology they have not provided satisfactory interpretation This is because his genuine epistles were studied as they have been left in the New Testament Rather from a redactional point of view Paul the Founder of Christianity approaches Paul's seven epistles Romans 1 Corinthians 2 Corinthians Galatians Philippians 1 Thessalonians and Philemon The book reconstructs his life and uncovers the compilation of sixteen short letters into seven epistles Accordingly these can be divided according to the chronological order of composition When the transformation of Paul's theology is traced one can see a progressive development of Christology the death of Jesus Christ redemption and salvation the Law the end of world the spirit of God and the church of God As a result it can be argued that after the Antioch incident Paul had conflict with the apostles of Jerusalem and founded Christianity for gentiles an argument that is presented in detail based on the evidence found in Paul's sixteen letters [Paul Follower of Christ Or Founder of Christianity](#) David

Wenham,1995 [Who Created Christianity?](#) Craig Evans,Aaron White,2021-10-05 Who Created Christianity is a collection of essays by top international Christian scholars who desire to reinforce the relationship that Paul had with Jesus and Christianity There is a general sense today among Christians in certain circles that Paul's teachings to the early Christian church are thought to be rogue even clashing at times with Jesus words Yet these essays set out to prove that the tradition that Paul passes on is one received from Jesus not separate from it The essays in this volume come from a diverse and international group of scholars They offer up to date studies of the teachings of Paul and how the specific teachings directly relate to the earlier teachings of Jesus This volume explores with even greater focus than ever before the tradition from which Paul emerges and the specific teachings that are part of this tradition This collection of essays proposes a complementary work to the work of David Wenham and his thesis that Paul was indeed not the founder of Christianity or the creator of Christian dogma instead he was a faithful disciple and a conveyer of a prior Christian tradition Includes essays by well known Christian scholars such as Craig Blomberg Alister McGrath N T Wright Michael Bird Greg Beale and more Paul and Jesus Issues of Continuity and Discontinuity in Their Discussion by Stanley E Porter How and Why Paul Invented Christian Theology by N T Wright The Origins of Paul's Gospel by Graham H Twelftree When Paul Met Jesus How an Idea Continues to Be Lost in History Past and Present by Stanley E Porter Paul and the Jesus Tradition An Old Question and Some New Answers by Rainer Riesner Continuity and Development in the Ministries of Jesus and of Paul by Christoph W Stenschke Paul's Significant Other in the We Passages by Joan E Taylor Whose Gospel Is It Anyway The Glory of Christ in the Prophetic Ministry of Paul according to His My Gospel and Our Gospel by Aaron W White David Wenham The Little Apocalypse Paul and Silas by Bruce Chilton The Parallels between 1 and 2 Thessalonians against the Background of Ancient Parallel Letters

Brown,2006-12-01 A Jewish person has different objections to Jesus than an atheist yet most apologetics books are geared toward conversing with non religious people about the gospel Michael L Brown a Jewish believer in Jesus has been writing popular books on talking with Jews about the Messiah for years Now he takes those discussions even further with this newest volume of Answering Jewish Objections to Jesus It focuses on the New Testament and traditional Jewish objections to Jesus giving believers the important background information they need when discussing matters of faith with people who share many of their beliefs This book is the perfect starting point for gentile and Jewish Christians who wish to speak intelligently with their Jewish friends or family **The Living Paul** Anthony C. Thiselton,2011-09-13 Anthony Thiselton is an unabashed admirer of Paul a student of his letters and a devotee of his gospel Over a range of issues Thiselton cleans the lens and sharpens the focus to give us snapshots of Paul s life mission and thought Whatever your level of knowledge and experience of Paul you will find The Living Paul informative and interesting nuanced and inspiring **Paul the Apostle** Hourly History,2020-12-20 Discover the remarkable life of Paul the Apostle It is a verifiable fact that the Apostle Paul was one of the most prolific writers of the New Testament making him one of the founders of the Christian religion that we know today Although he came on the scene after Jesus Christ it could be argued that Saint Paul played the second biggest role in the history of Christianity This is rather fascinating considering the fact that he began his career as one of the biggest persecutors of the faith Paul was a devout follower of Judaism and initially considered the Christians a heretical sect that needed to be stamped out All of that changed when he made a trip to the ancient Syrian city of Damascus in the early first century This book follows the life of Paul the Apostle and the ultimate transformation that he experienced Discover a plethora of topics such as Early Life Conversion to Christianity The Stoning at Lystra Journey to Europe Arrested in Jerusalem

John Stevens Cabot Abbott,1881 [The Cradle, the Cross, and the Crown](#) Andreas J. Köstenberger,L. Scott Kellum,Charles L. Quarles,2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God s word of truth 2 Tim 2 15 It offers a thorough introduction to all twenty seven books of the New Testament and closely examines events such as Christ s incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life long resource for students of Scripture

**Salvation for the Righteous Revealed** Ed Condra,2018-12-10 Why is there such an ethical emphasis in Jesus gospel proclamation This work finds the answer in Jesus meeting his audience within their own conceptual realms and then expanding those realms to point to the nature of his salvation The bulk of this work investigates the soteriology of Second Temple Judaism especially of the Qumran Scrolls The apocalyptic lesson was the demand of a greater covenantal obedience held in tension with God s grace a demand met through sectarian revelation and involving a somewhat diverse messianism Within these conceptions Jesus affirms that salvation is indeed for the righteous but as defined through himself as the unique Messiah This work is particularly useful regarding the Jesus Paul debate for it provides a diachronic solution grounded in the cultural historical milieu of the times

[Did St Paul Get Jesus Right?](#) David Wenham,2011-10-19 Was St Paul a distorter of Jesus original message or a faithful follower Over recent years some critics of Christianity have claimed that while Jesus was a gifted teacher and a man of unparalleled kindness St Paul was the true founder of Christianity which he based on a delusional mistake the idea that Jesus was God This theory has found its way into academia churches newspapers and most recently novels In Did St Paul Get Jesus Right respected New Testament scholar David Wenham looks at the historical evidence for such claims Comparing the life and message of Jesus with the writings of St Paul he offers a thoughtful exploration of their relationship concluding that far from imagining Christianity Paul was the messenger of an inherited faith

**Paul and Jesus** James D. Tabor,2012-11-13 In this compulsively readable exploration of the tangled world of Christian origins Publishers Weekly religious historian James Tabor illuminates the earliest years of Jesus teachings before Paul shaped them into the religion we know today This fascinating examination of the earliest years of Christianity reveals how the man we call St Paul shaped Christianity as we know it today Historians know almost nothing about the two decades following the crucifixion of Jesus when his followers regrouped and began to spread his message During this time Paul joined the movement and began to preach to the gentiles Using the oldest Christian documents that we have the letters of Paul as well as other early Christian sources historian and scholar James Tabor reconstructs the origins of Christianity Tabor shows

how Paul separated himself from Peter and James to introduce his own version of Christianity which would continue to develop independently of the message that Jesus James and Peter preached Paul and Jesus illuminates the fascinating period of history when Christianity was born out of Judaism    **A History of Christianity in the Apostolic Age** Arthur Cushman McGiffert,1897    *The Origin of Paul's Religion* J.
