Engaging content on Instagram. Best filter choice for the increase of photo views and likes of sport and leisure interested users Ilona Maties,2018-06-18 Bachelor Thesis from the year 2016 in the subject Communications Public Relations Advertising Marketing Social Media grade 7 6 Stenden University course Bachelor of Business Administration Bachelor of Art language English abstract The social media world has increased fast and people become overwhelmed with information Since images play an important role in the social media world organizations have the opportunity to create a profile at the social media network Instagram to post filtered and non filtered photos to engage its users to view like and comment those Photo filters that increase warmth exposure and contrast get more likes and comments because they elicit feelings of arousal and excitement This theory can be attributed to the filters colours since red orange and yellow lead to states of arousal and excitement Next to that sport fans enjoy images in black white and sepia The sport company S is a client that has wished an Instagram profile from the company 12s For that reason the management did send many sport related photos to the media firm which they can post at their profile However the employees who are responsible for the Instagram profile are not sure if they should keep the images original or edit them with filters If they edit photos they can choose between filters what makes the choice harder since they do not know which filter viewers like For solving that problem a research was needed to give

recommendations to the organization 12s for the best filter choice by analysing appealing colours and filters of lively Instagram users that are interested in sport and leisure via an experiment For the experiment two groups were randomly chosen which were as similar as possible All participants had to be interested in sport leisure One group had to answer questions about original photos and the second group about edited photos 16 images were posted in original and edited at the Instagram profile Bachelor\_Workout to see which photos receive more likes The outcome shows that participants prefer photos edited Approximately edited photos receive min 20 per cent more views and likes compared to original photos Furthermore participants like warm colours filters such as Hefe and Valencia and the colourful filter Clarendon Especially men do like the black and white filter Moon compared to women who prefer the filter X\_Pro\_II To engage Instagram users who are interested in sport and leisure 12s should edit photos with warm colours to reach the target group of the sport company S If they like to reach more men they can use the black and white filter Moon and if they concentrate more on women with a photo they should use the filter Rise [Instagram Marketing: 5 Manuals Collection \(Absolute Beginners, Detailed Approach, Advanced Features, Tips & Tricks, Crash Course\)](#) Mark Gray, 2019-01-31 Get the Kindle version FREE when purchasing the Paperback Win the Instagram Warfare inn 2019 With millions of users online daily Instagram has become among the leading social media networks around Instagram s popularity and potential have become so hard to ignore that if you re not on the platform you re losing out as a business Consumers are expecting a lot more from brands today than ever before and the pressure to perform is real A brand is expected to live up to the expectation of being able to communicate visually be engaging responsive entertaining and consistent on the social media scene Understand and master the basics of marketing learn how to create and develop the right framework to help you build a successful marketing strategy and learn how to tell your brand s story in a unique and effective way with Instagram Marketing What This Collection Includes From Zero To Hero The learning curve may be overwhelming in the beginning but once you take all the pieces of the puzzle that is Instagram advertising you will soar in your venture To come out on top you must be able to increase your chances of making yourself heard loud and clear which is exactly what brings you to this collection today The Growth Strategy Without a proper growth strategy in place you would aimlessly be promoting your content without any sense of direction about whether your efforts are working or not Your content is a big part of your growth strategy and it is the content that you produce on your social media profile that starts to build the relationships between you and your audience Practical Strategies Understand and master the basics of marketing learn how to create and develop the right framework to help you build a successful marketing strategy and learn how to tell your brand s story in a unique and effective way with Instagram Marketing Reach The Next Level This complete collection is going to take you through a detailed journey of how to take your Instagram game to the next level Key Topics Why you should advertise on Instagram Learn how this small 30 million user photo sharing company has become the behemoth among social media platforms for advertising Who your
