Meditation Stories For Kids Ashley Bright,2021-04-22 55% OFF for Bookstores NOW at 14 83 instead of 32 97 LAST DAYS One of the most difficult daily tasks all of us undertake especially those of us who might suffer from insomnia is the letting go of all of the events and activities of the day Many of us spend sleepless hours turning over and over in our heads the conversations we had the argument we had the many things that we didn t quite get to but worry about This is especially difficult for children who may not be able to voice their anxieties and fears as eloquently as they would like Oftentimes we are told just to let go and not think about these things but this advice is virtually worthless if we could just relax stop thinking and sleep we just simply would Instead taking a meditative journey through this tangle of thoughts can help us find peace with them We don t necessarily get rid of thoughts but we can learn how to unfurl them to reframe them so that we can sleep in peace This can help a child let go of the events of the day in order to soothe them into a restful sleep This kind of restful sleep is dependent on getting deep sleep
