Be empowered to have faith set goals and take action to stay the course and enjoy many more decades of a joyful blessed and healthy life. With so many experts touting different approaches to raising thriving children how do you know which is the best one? Dr Rhonda Spencer Hwang professor of public health at Loma Linda University and mom of three had the same question. As a member of a community known worldwide for its health and longevity often referred to as a Blue Zone she decided to study the area's many centenarians to find out what they or their parents did right in childhood to make them so resilient to stress disease and the adversities of life. In *Raising Resilient Kids* Dr Spencer Hwang reveals the intriguing findings from her research and offers eight principles for raising happier healthier children who are equipped to flourish despite life's inevitable adversities. Readers of *Raising Resilient Kids* will learn how to Empower children with determination motivation and empathy. Win over picky eaters and others who resist new routines. Reduce negative stress and boost happiness. Instill the values that motivate children to serve and help others. Enhance academic performance through healthy habits. Help kids begin to explore their passions and purpose. *Raising Resilient Children* Sam Goldstein, Robert B.
