**The Domineering CEO** Kate Bridges, 2024-12-18 Aaron James had spent years training to inherit his father s position as the head dominant learning the delicate balance of control and power that came with the title Soon he would take over his family s business running the town s finances with precision and authority But there was something that had always eluded him the one woman who had been on his mind since his youth McKenzi McKenzi struggling to keep her family afloat never expected to find herself in the same room as the man who had once been a boy in her life The man who had a power over her that she never knew existed Years had passed and both had changed in ways they never anticipated He had grown into the man he had always been destined to be and she well she was no longer the shy uncertain girl she once was But neither of them could have predicted what would happen when their paths crossed again His presence was commanding and every step he took toward her made her heart beat faster Aaron was everything she remembered and more As he stepped into her space she couldn t help but notice the way his eyes devoured her intense and unyielding He leaned down slowly deliberately his gaze never leaving hers For a brief moment her eyes darted to his lips and before she could even comprehend what was happening he pressed them gently to hers The kiss was soft at first almost teasing before he deepened it with a hunger that matched the wildness in his voice You have no earthly idea how long I ve wanted to kiss you he murmured against her lips the raw desire in his voice making her pulse quicken He pulled away just enough to make sure she was listening In this room I m your dominant and you ll do as I say when I say without hesitation From now on I want you to call me Master or Sir Do you understand There was something about the authority in his voice the deep command that he wove into each word It pulled at her both terrifying and thrilling her in equal measure It was a world she d never imagined entering but was now being drawn into by the gravity of his presence She swallowed hard her body reacting to him in ways she didn t understand but couldn t deny With a slow nod she answered her voice breathy Yes Sir I understand Without another word he gave her a sharp slap across her ass It wasn t painful but the shock of it the suddenness sent a jolt through

her She flinched but immediately found herself leaning into the feeling something inside her shifting in response to his command When I ask you a question I want an answer Do you understand His voice was firm leaving no room for hesitation Yes Sir I understand Aaron s training had taught him how to take control how to command without mercy And McKenzi was exactly what he had been craving Seeing her again standing before him brought all his desires to the surface She was everything he wanted and now he had the power to claim her McKenzi on the other hand had no idea how her world was about to change Raised in a world where she was never allowed to explore her own desires she was completely unprepared for what Aaron had in store for her She had never been with anyone before and his world his rules felt like a foreign territory she wasn t sure she could navigate But her family needed the help and Aaron was the key The temptation to surrender to him to the man who now held her future in his hands was overwhelming Would she give in to the promises he offered or would she fight to preserve the part of herself that had always been free *Human Sexuality* Strong,1998-12

**Yield** Daisy Rose,2019-04-20 Olivia isn t prepared for what she signed up for Not even with her extensive internet search for that could come under the topic of rough sex She thinks she s prepared for whips handcuffs spanking and even some pain considering the contract mentioned that she ll have bruises But as she stands in the room with the powerful man all she can think of is how much she wants to run away Eric thinks the fear in her eyes only makes her more desirable He is going to keep that look on her face all night long Excerpt Simulated he corrected It will be entirely consensual and you will be handsomely paid Why I blurted out He laughed It was a deep warm sound that was even more shocking because of how nice it sounded compared to the topic at hand I stared at him incredulously the entire time When he was finally over his amusement he said Because I can It sent shivers down my spine how easy his answer came to him how simple he made it sound He wanted it because he could Why not why not hire someone I asked even though the answer came to me straight away Peter approached me because it was obvious how desperate for cash I was He didn t want an act he wanted it to seem real I prefer inexperienced submissives he said with a kind smile that was antithetical to the words he was saying I stared at the papers in my hand uncertainty brewing heavily in my mind I don t know if I can I mean I m not sure if I can do this I ve never done anything like this before and I m a virgin I almost blurted out but I kept that to myself There was that practical part of my brain that told me it was only for one night By this time tomorrow it was going to be a distant memory and I wouldn t have to worry about whether I could afford tuition Don t worry about acting he said almost kindly You re going to be a little scared a little naive and you re going to struggle because you don t know anything and I m not going to be gentle I

swallowed the lump in my throat and crossed my legs I clenched my hands together so he wouldn't be able to tell how strongly I was trembling I wanted to correct him I was much more than a little scared and a lot more than a little naive I have never had sex Of course you could always have a safeword if you want to feel safer Safe word I asked There was a dotted line at the bottom for me to write it I had been thinking about that ever since I read about it It was a safety net that I realized I could take solace in All the information I read had emphasized the importance of a safeword especially when playing with a new partner Yes he said Having a safeword would allow you stop whatever it is that is going on he said However if you choose to go without one I'll double the money I stared at him Double All of it he nodded That's a lot of money I said gulping Yes *She is Owned* Jennifer Milan, 2020-12-06 This is about the BDSM lifestyle What it entails expectations satisfactions negotiations trilling kinks involved Every Submissive need to step up their game sex life adventures and fun A submissive should know how and when to submit to a Dominant partner It explains in detail how domination and submission works How submissives can attract Dominant partners Shows hand signals their meaning and how they are used by the Doms for subs Explains how both submissives and Dominant behave Imagine laying in a bed blindfolded by your partner totally out of your control Living out all your sexual fantasies with toys and safe words Not worrying about being judged or come across as weird when you talk openly about your experiences And take your sex life to a dimension you only could dream of The book explains common misconceptions in BDSM pertaining mostly to submission There is a lot of power in being a submissive and you know that some of your gains are pleasure from pleasuring others physical pleasure and arousal fun variety personal growth improved romantic relationships community psychological release freedom from day to day roles And much more Have fun
