Shadows in The Snow Rahmat Fadhilah ,2025-09-04 Winter had deepened in the outskirts of St Petersburg a winter harsher than any the villagers could recall The snowdrifts towered like walls the river groaned under its frozen armor and the northern wind cut through even the thickest coats Yet despite the biting cold laughter and warmth still lingered in the village carried from memory the festival where a bear a fox and a goose had not only competed in a borscht contest but turned wolves into guests at the table *House of Ash and Bone* Joel A. Sutherland,2023-09-05 The Haunted meets House of Salt and Sorrows in this young adult debut horror by acclaimed master of the macabre Joel A Sutherland Seventeen year old Josephine Jagger is a talented writer with special abilities she doesn't fully understand Over the years she has developed methods to cope with the voices she hears in her head but the old house her family has inherited in Vermont makes Josephine question what's real and what's not more than anything she's ever encountered before It's filled with shadows and whispers and the unshakable feeling of being watched Josephine then catches her first glimpse of a shadowy woman with long hair pale skin an impossibly wide smile and hollow pits for eyes Her name is Dorcas the ghost of a witch who died three hundred years ago She has summoned the family to Vermont to ensnare them then consume them in order to rise from the grave and live again *Quick, Where's My Cape?* Ric Gibbs,2017-06-10 After 20 years as a dramatist Ric Gibbs made a startling discovery the myths and legends beneath his fictional characters were showing up in the lives of his friends as well Right down to their plot points and key reversals their hero's journey and moments of life changing recognition QUICK WHERE'S MY CAPE is a riveting work of applied psychology An exploration not just of superheroes but of the powerful stories we all carry in our unconscious mind and the steps we can take to activate them to draw sword from stone and live the lives we were meant to achieve **Corpse in the Mead Hall** Cate Martin,2021-08-17 By day a drab pole barn used as general store post office and meeting place all in one by the people of Runde Minnesota a fishing village on the North Shore of Lake Superior By night a Viking style long house filled with tales and singing roasting meat and flowing beer and of course mead Ingrid Torfa can imagine no better place for a much needed night of R R The mead hall run by her grandmother lies where modern small town life brushes up against the old world lifestyle of the people of Villmark proud descendants of a lost tribe of Northmen All of her friends mingle there from the server who works in the restaurant on the side of the highway to the guardians charged with protecting the sacred flame of their ancestors The spells that her grandmother casts over her mead hall nightly keep everyone within safe and harmonious Or so everyone always believed But when a murder interrupts Ingrid's night off she finds herself questioning everything Because her chief suspect is her own grandmother Corpse in the Mead Hall Book 6 in the Viking Witch Mystery Series **Daddy by Surprise** Pat Warren,2014-10-15 LITTLE AND BIG DARLIN'S Devin Gray had long ago made two resolutions about what was NOT in his future marriage and fatherhood And then along came beautiful lovable and sexy neighbor Molly Shipman to test his resolve on the former As to the latter well when adorable six

year old Emily showed up on his doorstep with only a ratty old teddy bear and a note claiming HE was her father well what was a bachelor to do Learn to braid hair for starters And have tea parties And chase away bad dreams And maybe just maybe learn how to make both Molly and Emily his own **The Viking Witch Cozy Mysteries Books 4-6** Cate Martin,2023-05-02 When her mother died after a long illness Ingrid Torfa sold the family home to cover the medical bills Her career as a book illustrator not yet exactly launched Ingrid moved back to her mother s small hometown in northern Minnesota and the grandmother she scarcely remembered Then she learned the truth she had forgotten since her early childhood that Vikings still exist and her grandmother serves as their spiritual leader and protector Now Ingrid must leave the modern world behind for a time and immerse herself in this forgotten world She must know if she has what it takes to serve the people of Villmark as her grandmother serves them Or if her destiny lies instead among her friends in the modern world of Runde Minnesota No easy decision But at least her magical cat Mjolner remains always by her side Together they can face anything either world can throw at them Even if it s murder This box set includes the second three novels in THE VIKING WITCH COZY MYSTERIES KILLING IN THE VILLAGE COMMONS BLOODSHED IN THE FOREST CORPSE IN THE MEAD HALL
