Alternate History Novel Insights:

Post-9/11 Historical Fiction and Alternate History Fiction Pei-chen Liao, 2020-09-19 Drawing on theories of historiography memory and diaspora as well as from existing genre studies this book explores why contemporary writers are so fascinated with history Pei chen Liao considers how fiction contributes to the making and remaking of the transnational history of the U S by thinking beyond and before 9 11 investigating how the dynamics of memory as well as the emergent present influences readers reception of historical fiction and alternate history fiction and their interpretation of the past Set against the historical backdrop of WWII the Vietnam War and the War on Terror the novels under discussion tell Jewish Japanese white American African Muslim and Native Americans stories of trauma and survival As a means to transmit memories of past events these novels demonstrate how multidirectional memory can be not only collective but connective as exemplified by the echoes that post 9 11 readers hear between different histories of violence that the novels chronicle as well as between the past and the present

Imagining the Unimaginable Glyn Morgan, 2020-01-23 Imagining the Unimaginable examines popular fiction s treatment of the Holocaust in the dystopian and alternate history genres of speculative fiction analyzing the effectiveness of the genre s major works as a lens through which to view the most prominent historical trauma of the 20th century It surveys a range of British and American authors from science fiction pulp to Pulitzer Prize winners building on scholarship across disciplines including Holocaust studies trauma studies and science fiction studies The conventional discourse around the Holocaust is one of the unapproachable unknowable and the unimaginable The Holocaust has been compared to an earthquake another planet another universe a void It has been said to be beyond language or else have its own incomprehensible language beyond art and beyond thought The othering of the event has spurred the phenomenon of non realist Holocaust literature engaging with speculative fiction and its history of the uncanny the grotesque and the inhuman This book examines the most common forms of nonmimetic Holocaust fiction the dystopia and the alternate history while firmly positioning these forms within a broader pattern of non realist engagements with the Holocaust

Myths and Memories of the Black Death Ben Dodds, 2021-12-11 This book explores modern representations of the Black Death a medieval pandemic The concept of cultural memory is used to examine the ways in which journalists writers of fiction scholars and others referred to described and explained the Black Death from around 1800 onwards The distant medieval past was often used to make sense of aspects of the present from the cholera pandemics of the nineteenth century to the climate crisis of the early twenty first century A series of overlapping myths related to the Black Death emerged based only in part on historical evidence Cultural memory circulates in a variety of media from the scholarly article to the video game and online video clip and the connections and differences between mediated representations of the Black Death are considered The Black Death is one of the most well known aspects of the medieval world and this study of its associated memories and myths reveals the depth and complexity of interactions between the distant and recent past
