**Bedtime Stories for Kids - 2 Books in 1** Walt Pixar,2020-05-05 Bedtime can be a real drag when you have young children that do not want to cooperate and who can blame them for resisting bedtime However the more that it turns into a battle between your children and yourself the harder bedtime will become Are you ready to make sure that your children will go to sleep on their own Are you ready to ensure that your children stop fighting and are able to actually enjoy bedtime enough to stop resisting If that s the case then keep reading Within the Bedtime Stories the Kids bundle you will be given everything that you need to take bedtime from a protest to a party with ease You will be able to get your children to settle down listen and learn all while easing them gently and slowly off to sleep Your children will be guided through fantastical stories with vivid imagery to help them focus on what they are seeing around them so they can begin to develop that relaxation that they will need in order to get that sleep that they need Your children will be guided through stories to encourage mindfulness and meditation skills that can serve them well as they grow throughout life With these skills your children will begin to relax and grow Your children will learn morals and lessons from some of the most classic fairy tales and classical stories that have been passed down from generation to generation helping your children to develop better understandings for how the world works Your children will be taught the importance of nature and the world exploring both fantastical and mystical worlds as well as the world that we live in discovering mythology cultures the environment and more thanks to the stories included As a parent you may think that these books are just for the children but there is plenty of information that can be found throughout these books for you as well You will be taught the importance of your own presence in your child s life and how you are the guiding force and the

factor that determines the adult that he or she grows into Within these books you can expect the following The importance of meditation and mindfulness in your child s life and how you can foster these tendencies in your own children Guided meditations for your children to encourage and facilitate these processes without them ever realizing that they are actually working Information about the power of bedtime stories and the quality time that you can spend with your own children Lullabies to teach your child to thrive in the future focusing on several skills that need to be remembered Retellings of some of the most popular and classic bedtime stories for your children with powerful morals Bedtime stories to facilitate imagination and creativity ranging from meeting unicorns and faeries to adventuring in other galaxies and even discovering worlds where dragons and dinosaurs exist Bedtime stories to facilitate your child s focus on the world around them encouraging that connection to nature that every child should have Don t let another night pass filled with bedtime woes and frustration Scroll up and click the BUT NOW button and start making bedtime a time to enjoy Your children can learn to love that very special time and end their nights on the right foot if you facilitate it **Children's Books of the Year** ,1986
