Montessori Activity Book Ananda Store,2021-06-07 The Montessori method of education was developed by Italian physician Maria Montessori Emphasizing independence it views children as naturally eager for knowledge and capable of initiating learning in a sufficiently supportive and well prepared learning environment It discourages some conventional measures of achievement such as grades and tests Montessori developed her theories in the early 1900s through scientific experimentation with her students the method has since been used in many parts of the world in public and private schools alike This Montessori workbook works great in a Montessori environment as well as in a regular home school This unique workbook is designed to keep your little one's absorbent mind engaged Perfect for preschool pre k and kindergarten ages 3 7 No previous Montessori experience required Realistic pictures have been used instead of cartoons to promote learning about the beauty of the real world Bright full color to appeal to and engage the young learners Large size 8 5x11 70 pages About Ananda Store Ananda Store is a mom and dad run publishing company We are passionate about kids books happiness and creating cute and practical books for kids *Primary Plans* ,1912 No Size Fits All Richard Striner,L. Michelle

Johnson,2020-01-06 No Size Fits All is a book whose time has come a book that offers a proposal that could revolutionize public school policies in the United States at the federal state and local levels The book calls upon Congress to require all public school systems that benefit from federal funding to offer parents and children a choice of alternative schools exempt from the broadly unpopular Common Core testing regime some of which would use the time tested Montessori Waldorf and

Sudbury methods to give American students more freedom in determining what they study and when The politics of federal education policy has devolved into an all or nothing fight between defenders of a status quo that its critics condemn as oppressive and proponents of a school choice reform vouchers as proposed by Betsy DeVos that its critics condemn as subversive No Size Fits All interrupts this all or nothing argument with a humane and sensible alternative one that could lay the groundwork for broad new consensus on federal education policy *My first Montessori activity book* Lydie
