**The Student EQ Edge** Korrel Kanoy, Steven J. Stein, Howard E. Book, 2013-01-28 *THE STUDENT EQEDGE* Facilitation and Activity Guide This Facilitation and Activity Guide is a companion to the book *The Student EQ Edge Emotional Intelligence and Your Academic and Personal Success* It offers faculty and facilitators a hands on resource for helping students reach their potential by tapping into the power of emotional intelligence The Facilitation Guide includes exercises and activities which are designed to help students develop confidence independence the ability to set and meet goals impulse control social responsibility problem solving skills stress tolerance and much more all of which help improve academic success The Guide also contains a wealth of illustrative case studies questions for student reflection movie selections and TV shows that illustrate emotional intelligence and a self development plan The single best resource on emotional intelligence in student affairs *The Student EQ Edge Student Workbook and Facilitation and Activity Guide* are well organized creative and offer everything an emotional intelligence facilitator would need in a fast paced student affairs environment The examples are

soundly constructed and resonate with students. These materials are my go to resources. Candice Johnston, associate director of student leadership and organizations at Wake Forest University. If I were building a new course to improve student success, it would be founded on emotional intelligence. All the instruction in the world on study skills cannot touch the advantages that come to students who are able to manage their emotional intelligence. And the best news of all is that these skills can be taught. EQ skills make the difference. Randy L. Swing, executive director, Association for Institutional Research. This Facilitation and Activity Guide is particularly useful, offering options from which the facilitator can draw in preparing assignments or learning community meetings. The focus on learners' needs and particularly an authentic exploration of self and purpose is practical yet has the potential to draw students to a deeper understanding of self that will draw them to high performance and contribution to others. Dennis Roberts, assistant vice president for faculty and student services for the Qatar Foundation.

Fundamentals of Nursing E-Book Barbara L. Yoost, Lynne R. Crawford, 2019-01-23. Yoost and Crawford's *Fundamentals of Nursing* is back for a second edition encore. The text that made its name by focusing on simple language and active learning continues its focus on helping you truly understand, apply, and retain important nursing information and concepts. Using a warm and conversational style, this new second edition guides you towards a basic understanding of the nursing profession and then logically progresses through the nursing process and into the safe and systematic methods of applying care. Each chapter features realistic and complex case studies and critical thinking exercises woven throughout the content to help you continually apply what you've learned to actual patient care. A conceptual care mapping approach created by Yoost and Crawford themselves further your ability to make clinical judgments and synthesize knowledge as you develop plans of care after analyzing and clustering related patient assessment data. All of this paired with a wealth of student friendly learning features and clinically focused content offers up a fundamentally different and effective way for you to easily master the fundamentals of nursing. UNIQUE Warm friendly writing style slows down the pace of information to give readers time to critically think and master all fundamental concepts and skills. UNIQUE Building block approach groups topics and concepts together thematically in the order needed for readers to build their knowledge. UNIQUE Objective driven approach presents clearly defined numbered objectives that coordinate with all content and then wrap up with Objective Summaries. UNIQUE Active learning activities are incorporated throughout every chapter to help readers learn to apply chapter content to broader nursing concepts and realistic patient scenarios. UNIQUE Conceptual care mapping is taught and used throughout the text in conjunction with the Conceptual Care Map Creator. UNIQUE Emphasis on QSEN reinforces the Quality and Safety Education for Nurses competencies including patient centered care, teamwork and collaboration, evidence based practice, quality improvement, safety and informatics.
